

# PANITZA LIBRARY

AMICAL 2020

## STUDENTS' PUBLICATIONS DIGITIZATION

### PROJECT BACKGROUND

- Unique and fragile collection, in need of preservation
- Increase visibility and enhance access
- Alumni demand
- Students and faculty research
- Institutional history preservation and dissemination

### TECHNICAL SETTING

- DSpace platform
- NALIS Foundation cooperation
- Formats and description
- Software and hardware, storage and backup

### FUTURE GOALS & CHALLENGES

- Completing the Student Publications Collection
- Expanding the Digital collections by adding other student scholarly output (documentaries, oral history projects, digital storytelling projects, etc.)
- Developing a wider Institutional repository

### TEAM & COLLABORATION

- Librarians
- IT support
- Alumni
- Current students
- Faculty
- Other constituencies

### CURRENT STATE

- Four titles
- 2,559 files
