

*This daily excursion is optional and open to all Amical members to attend. It requires a **minimum number of attendees of 12 people**. It is scheduled for **Sunday, May 21<sup>st</sup>**, departing from The Met Hotel at 9 am and returning back to the Met at 6 pm. This excursion will combine **culture, nature and Greek gastronomy!***

On **Sunday, May 21<sup>st</sup>**, we will start our daily excursion by visiting Vergina (one hour drive from Thessaloniki), a World Heritage site. You will visit all the treasures of the royal tomb, identified as that of Philip II, who conquered all the Greek cities, paving the way for his son, Alexander and the expansion of the Hellenistic world.

We will continue this day trip by getting closer to Mount Olympus, the highest mountain in Greece. Having in mind the huge variety of magnificent landscapes and countless beauties you may recall the ancient myth according to which the Greek Ancient Gods chose this mountain as their own place to live. You will easily understand the reason, while enjoying the beautiful forests along with the breathtaking panoramic view that many paths offer! The traditional village of Litochoro, lies on the footsteps of Mount Olympus. From there, we will walk an easy-going path in the valley of Enipeas' gorge (around 30 minutes totally), on the low slopes of the Mountain and experience the magnificent nature.

Following our walk, we will return to Litochoro village to have our lunch at a Greek Taverna. Return late in the afternoon back to Thessaloniki full of great moments and memories.
