Embark on an Extraordinary Journey with Toastmasters!

What is Toastmaster?

an international organization that helps individuals develop their communication and leadership skills.

Meeting Roles

Toastmaster: Leads the meeting and introduces speakers.

Grammarian: Monitors language usage

Timer: Keeps track of speaking times.

Ah-Counter: Tracks unnecessary filler words and sounds.

General Evaluator: Provides overall evaluation of the meeting.

Table Topics Master: Leads the impromptu speaking segment

Speaker: Presents prepared speeches

Benefits of Toastmasters

1 Communication Skills

Toastmasters enhances public speaking and presentation skills, crucial for librarians' interaction with users.

2 Leadership Development

It provides opportunities to develop leadership abilities and manage diverse programs effectively.

3 Networking

Librarians can broaden their professional networks and build lasting connections through Toastmasters.
